

Top 10 Interview Tips !

The 9am show David Reyne and Kim Watkins.

(Interview tips prompt guide for an interview.)

You have a 1 in 5 chance of succeeding in an interview!

1 – Good CV/Résumé : It's a 60 second advert, create a crafted targeted document.

2 – Selling yourself : Think good things and say good things about yourself, sell yourself and differentiate yourself from everyone else.

3 – What are Behavioural Based interviews, BBI (p5) :

In a BBI you will get crafted questions designed to help the interviewer figure out if you are the right person. Figure out what's on their wish list and then have prove it answers. Load your Brain/C-drive (p18).

4 – Picking the right job/career : Do what you love and love what you do!
40/40 Principle (p14).

5 – Image : In the first 30 seconds 93% of fist impressions is none verbal.

6 – Dealing with nerves : We interview every 5 years, turning up and hoping you do well is not enough. There's lots of competition out there, do your research, be prepared.

7 – Don't shot gun the market : Put 100% into 10 applications not 10% into 100 applications. Plus keep a list of who and what you have applied for.

8 – Phone calls : Never pick up the phone without having bullet point prompts.

9 – Never introduce a negative.

10 – Ending the interview : Always have relevant questions to ask. Plus always thank them for their time and send a follow up thank you email.

Good luck in your next interview, James E Lynch
